ADDENDUM TO FENCE PERMIT APPLICATION

COURTESY NOTICE RELATING TO SECTION 33-11 OF THE CODE OF MIAMI-DADE COUNTY

JOB ADDRESS: _____

It is understood that fences and walls that obstruct vision may not exceed 2½ feet in height when located either within 10 feet of the edge of any driveway leading to a public right-of-way, or within the “Safe Sight Distance Triangle” as defined in Section 33-11 (b) of the Code of Miami-Dade County. I certify that this fence will not be located within the rights-of-way indicated in Section 33-133 of the Code of Miami-Dade County. I further acknowledge that the issuance of this permit shall not be constructed as permission to violate any provisions of Miami-Dade County Ordinances.

Additionally, an As-Built survey may be required by the department at the owner’s expense, if there is a concern that the fence or wall encroaches on neighboring properties, easements or public rights-of-way.

Please be advised, if violations are found to exist that law provides that tickets shall be issued resulting in penalties of up to \$500.00 per day (Chapter 8CC of the Code of Miami-Dade County).
